

## Biography of Principals

### *Chris Hunt*

Chris Hunt has over 30 years' experience in the Insurance industry including the Company and Lloyd's markets, broking and reinsurance. During this period Mr. Hunt has held senior positions within major insurance entities and has dealt with the largest catastrophic injury claims in the European market. He is currently CEO of Human2Human Consulting Limited, where he works as a senior consultant to insurers and syndicates all over Europe, specializing in audit and compliance issues. His varied career has given him exposure to all classes of insurance business, as well as underwriting, IT, processes, accounting, strategy and client relationships/customer outcomes. Mr. Hunt has previously worked as Claims Manager for Faraday Re from 2000 to 2007, where his responsibilities included an international motor, property and casualty direct book as part of a book of business worth up to £100M. He represented Faraday on the IUA Non-Marine Claims Group and wrote articles for insurance publications. Auditing Cedants across Europe formed the majority of daily work.

He was Head of Claims for Pen/AJG. His role included ensuring compliance to laws, regulations and internal processes, keeping a specific focus on transparency, correctness of behaviors toward the customers, contractual information and contract execution. He also ensured appropriate Governance existed within the claims team including Auditing the Auditors.

Mr Hunt also specializes in all aspects of training and workforce wellness/productivity, and he holds the title of ACII Chartered Insurer.
